

3 - 1 = 2

3 - 3 = 0

3 - 0 = 3

2 - 0 = 2

A horizontal rectangular frame containing a math problem. On the left is a domino with four dots (two on each half). In the middle is a circle containing a plus sign (+). On the right is a domino with one dot in the center. To the far right is a circle containing an equals sign (=). A small circular logo with the text "od Vambi" is in the bottom right corner.

A horizontal rectangular frame containing a math problem. On the left is a domino with four dots (two on each half). In the middle is a circle containing a minus sign (-). On the right is a domino with three dots (one on the top half, two on the bottom half). To the far right is a circle containing an equals sign (=). A small circular logo with the text "od Vambi" is in the bottom right corner.

A horizontal rectangular frame containing a math problem. On the left is a domino with four dots (two on each half). In the middle is a circle containing a minus sign (-). On the right is a domino with two dots (one on each half). To the far right is a circle containing an equals sign (=). A small circular logo with the text "od Vambi" is in the bottom right corner.

A horizontal rectangular frame containing a math problem. On the left is a domino with four dots (two on each half). In the middle is a circle containing a minus sign (-). On the right is an empty domino. To the far right is a circle containing an equals sign (=). A small circular logo with the text "od Vambi" is in the bottom right corner.
